

Casa Eckhoff is in [Polopos](#) 10 km, ca 15 min from the coast, [Costa Tropical](#). The village is about 900 m altitude with a spectacular view over the Mediterranean. It is perfect for those who wants to relax. There is no shop in the village. A bar and a cafe, with some more ongoing. A vegetarian restaurant opened August 2022.

Each day the village is visited by several grocery trucks, vegetables, fish etc. From them you can buy all that is needed. There is a small supermarket (Coviran) just down the mountain in Castillo de baño. They have just about everything, including a proper butcher/cheese department.

If you prefer a bigger supermarket, you can drive about 30 min to Motril which has several branches to choose from. Halfway between Polopos and Motril is Castell de Ferro, where you can find a small DIA market.

Granada is about 1 hour drive from the house, here you can visit the morish palace [Alhambra](#). You reach the ski resort [Sierra Nevada](#) with another 30 min drive. They have activities all year around.

From the house you can reach [Almeria](#) and [Nerja](#) in about 1h and [Malaga](#) in about 1,5h.

Around the village are a lot of hiking routes. The area is also well visited by birdwatchers and bicyclists who use the mountains as a base for training. Small villages with museums and a lot of culture well worth visiting is found nearby.

The house has an open planned area. Livingroom with sofa bed, kitchen and diner. On the same level you find the bath with shower and washing machine just outside the bathroom there is a small terrace. Just outside the diner you find the big terrace with stunning view over the ocean, mountain as well as the valley which leads down towards the Mediterranean. 3 small steps you have to take to get to the bedroom. In the bedroom there is a twin bed, a folding bed (to be used where ever)

There is a good amount of bed linen, towels, (beach towels as well) to use. For activities we have a bouleset, soccer, land hockey, rackets etc that can be used.

You park the car in a square where you also can find a outdoor gym and a playground. It is aprox 5 min walk to the house.

If you come by plane you preferable use Malagaairport.

Renting car by the airport is quit easy.

We uses [www.brunoscar.com](http://www.brunoscar.com). Slightly more expensive but all included and no hidden fees.
